JUST WHEN I THOUGHT NOTHING COULD BE BETTER... ALONG CAME UNCLE EYE AND MISS MELODY, SINGING STORYTELLERS WITH SUCH PERSONALITIES AND A SHOW THAT KEPT ALL ON THE EDGE OF THEIR SEATS. THE STUDENTS JUST LOVED THEM (SO DID THE TEACHERS). THEY HAD NEVER BEEN EXPOSED TO SUCH AN INTERACTIVE PERFORMANCE AND ARE STILL TALKING ABOUT IT.

IRA LEVIN (UNCLE EYE) IS A MULTI-TALENTED PERFORMER THAT CHILDREN OF ALL AGES CAN ENJOY. HIS TWO APPEARANCES ON MY PBS PROGRAM, JAKERS: THE ADVENTURES OF PIGGLEY WINKS, WERE A RESOUNDING SUCCESS. HIS MUSIC IS CATCHY, CLEVER AND SINGABLE. THE KIDS IN OUR STUDIO AUDIENCE WENT WILD FOR HIS HIT SONG, "RUBY THE RESCUE COW." I LOOK FORWARD TO WORKING WITH

Thematic Program Assemblies

Ira Scott Levin and Julia Bordenaro Levin (a.k.a. Uncle Eye and Miss Melody) are inspired by their many professional years as music educators and touring performers to bring you well rounded, engaging, educational programs.

Below are their four main shows and they are able to adapt to your special event theme or curriculum needs with prior notification.

- *Each program is approx. 30-45 minutes long (depending on age group)
- *Each program is packed with stories and original songs that reinforce both the educational theme and musical concepts
- *All programs are interactive and provide opportunities for structured movement while remaining entertaining & engaging.

Library/Literacy : "Palace of Wonders!" The most requested interactive program of storytelling and original songs that re-ignites the imagination while reinforcing fun, reading and the beauty of being a part of community.

Environment : "Recycle Cycle" An interactive environmental extravaganza where – with the help of a little imagination - you will get to ride on the Recycle Cycle, help Captain Tree save the day and realize that We are All Connected in the Web of Life. Find out how much fun being green can be!

Animals- "Hippo on My Head"- Zoo-per fun songs and stories with movement that teach about our animal friends in a light hearted way. We'll dance at a Penguin Party, do The Flamingo Tango, and get inspired by Ruby the Rescue Cow.

Food/Nutrition -"Have a Piece of Peace!" A pro-vegetable program which places the audience in the middle of a Veggie Western, linking everyone together with the Food Chain and exploring the origins of chocolate!

For festivals and larger venues or events:

Uncle Eye & Miss Melody can be joined by The Strange Change Machine -a full theatrical band that provides more fun than you should be allowed to have at any one time. (trio or quartet)

"This was an excellent performance. We have many English language learners and they even enjoyed the storytelling and music. It was very well done!"

CD baby Reviews

Reviewer: Janey & kids

Upbeat, danceable fun with worthwhile messages and meaning. We love Hippo On My Head, love to sing and dance along. We highly recommend its witty lyrics and spunky songs!! The words are sensitive and silly. It surely is a favorite...

This CD is #1!!

Reviewer: Sabra

Our whole family dances to this CD together. The kids sing it to themselves, even when they're playing outside. They relate to the lyrics and enjoy the humor. One of them was even so inspired, that she wrote her own song; now that's a gift!

I love the Green message too.

"Hyperactive Talking Cows"

WACKY ROCK FOR KIDS OF ALL AGES; AN OUT AND OUT UNABASHED CELEBRATION OF CHILDHOOD IN ALL ITS IMAGINATIVE AND WHIMSICAL GLORY.
