

Web of Life

D **C**
Help me I'm caught in this web of life, lend me a hand oh
D
Won't you help me break free, cut me out of this stress and strife
C **Em** **D**
wait, now you're unraveling me!

(Chorus) **C** **D** **Bm** **Em** **C** **D** **Bm** **Em**
We're all connected, we're all connected!
C **D** **Bm** **Em** **C** **G** **D**
Every single thing you see, shares the same source of energy!
G
Web of life. *

D
Without the plants we could not breathe,
C
without them we would have to leave.
D **C** **Em** **D**
With all that we claim to achieve, next to plants we are naïve.

(Chorus)
D
Every rock has a secret, every blade of grass sings...
Bm **C** **D**
There is a purpose for every living thing... (Chorus)

*and Coda as follows:

C **D** **Em** **C** **D** **Em**
Web of life. Web of life.

C **D** **Bm** **Em** **C** **G** **D**
Every single thing you see, shares the same source of energy!
